Dear Mrs. Youngs,

On behalf of Brevard Zoo, thank you for Surfing's Evolution and Preservation Foundation's recent grants totaling \$23,000 for our Perdido Key Beach Mice Program, and for your foundation's continued support of this initiative.

Since 2020, your support has helped Brevard Zoo breed dozens of these tiny and critically endangered mice, ensuring a thriving reserve population in case Perdido Key's population of beach mice decreases substantially due to hurricanes or other environmental challenges. Now, your 2022 grants will meaningfully enhance the capacity of this program by enabling us to purchase a large utility cart that will transport beach mice and materials for breeding and conservation activities, and by supporting the eventual construction of a new, impact-rated Breeding and Conservation Center that will house the beach mice permanently. Thank you for being a hero for Florida wildlife. We look forward to recognizing the foundation's contribution by displaying your logo on the utility cart.

If you have any questions about your gift, please do not hesitate to contact Luke Dumas, Institutional Giving Manager, at 321-254-9453 ext. 508 or [LDumas@brevardzoo.org](mailto:LDumas@brevardzoo.org).

With warm regards,

Keith Winsten  
Executive Director
